Will Meet Lubb,
The Tucumcari promoters were notified that Livingston will meet Lubb or any man they can get at 132 pounds at the ringside. Tommy will concede some weight but his speed and science should earry him to victory. Should Lubb not be willing to make the weight, it may be that "Rid" Payo can get a chance against Livingston.

Tickets for the bout at Camp Cotton next Tuesday night are now on sale and the early reservations indicates another big crowd. Muskopf is one of the tearing-in, ding-dong fighters. He is always an aggressor and carries the bout to his opponent from the first tap of the gong.

The regular baseball season is over, but the real treats are still ahead of the fans. First of all, there will be the games between the 20th infantry and the Seventh infantry, and also a context between the Seventh and an all star team from the Commercial league. The game on Sunday is sure to diaw one of the largest crowds of the season.

Then on Outober 14 the series between the Texas league all stars and the Commercial leagues will open at Rio Grande park and run for over two weeks. Good Card for Some 'romoter.

If the bouts at Thermearl on October are a success, it is possible that Jone effort will be made to book other tards in that live city and if there are no open dates at Camp Cofteen for Welfe and Barend, they will make a good card for some other town.

SEEK WOMEN'S CHAMPIONSHIP

New York, Sept. 27.—In announcing the entries and pairings for the women's nationals golf championship tournament which will begin next Monday, October 7. at the Belmont Springs Country club. Waverly, Mass., secretary Howard F. Whitney, of the United States Golf association, stated Tuesday that only \$6 players were on the list.

Last year when the championship was soon by Mrs. C. H. Vanderbeck of Philadelphia at the Onwentsia club, Lake Forest, Illa. there were 119 entrants. Mrs. Vanderbeck decided not to defend her title this year and among the most promising candidates is Miss Alexa Stirling of Atlanta. Ga., who was a semi finalist last year. She won the southern championship twice.

Hooper Is Best of AR.

The best of them all is Harry Rospier. This fellow never has been a highly press agented player. He is quiet, efficient, and a great hall player who does his work with such a lack of showiness that it is only noticeable in the final fixures. He is not a great hitter, but he is there in the pinch He is one of the quiet, thinking, determined fellows who do the right things in the right spots. Last fall he cur liouse and did a little of the sensational, and became cohero with Duff Lewis, He is going just as steadily this year as ever before. He hits good pitching well and poor pitching hard.

White Sox Right Piciders.

Chicago would present an assortment of right fielders—none of them very efficient. Rowland probably would use one team, one against another, and switch as the 'eff and right handed pitchers change. Shano Collins is aliashing, swinging hitter, who hits poor pitching with terrific effect and good pitching not at all. The switch would be to Fournier, and it is a problem in my filled as to whether the hig Frenchman would not be a better man in such a series. Fournier is a whale of a hitter and a fair ball player if let alone.
